Thank you Bentwood Ranch for the chance to own this important cow! According to Dr. Dameron, she has produced at least 3 offspring over 70" so far. One is close to 80". We will be using Star in our ET program and hope to have embryos available. We have had two very successful flushes and can now let this famous cow go to another program. She is very fertile and should continue to produce well. She is nervous in the chute but is not
